

INVITATION

EU Green Deal & Smart Mobility Strategies in the Barents region WEBINAR

**18th March 2021 between 10am-12am
(Finnish LT)**

As a part of the Barents Region Transport and Logistics (BRTL) initiative, Regional Council of Kainuu together with the steering group stakeholders are warmly inviting you to the webinar EU Green Deal & Smart Mobility Strategies in the Barents region.

The webinar is part of a larger project investigating national and local level logistics development initiatives and strategies in the Barents region. The purpose of the project is to create and share common knowledge base for the planning and implementation of joint logistics development vision and measures in the Barents region.

The webinar will be held by logistics and EU Green Deal experts from WSP Finland and Korkia Consulting

Agenda for the webinar:

10:00 Opening words

10:05 EU Green Deal and Smart Mobility in the Barents region

Carbon neutrality and Smart Mobility strategies of Norway and Russia

11:30 Importance of the strategies to the development of traffic and freight transport systems in the Barents Region

11:45 Open discussion and questions

12:00 Ending of the webinar

The webinar will be held in English and through Microsoft Teams. You can register for the webinar [here](#)
